

Dear Graduate,

I'm sure you and your family are excited about the forthcoming commencement. We want to make you aware of a road closure, which may impact your travel on campus at that time.

Summer 2017 commencement graduates and guests should be aware that a portion of Gale Lemerand Dr. is not accessible due to current construction on campus. In particular, the intersection of Gale Lemerand Dr. and Stadium Rd., which is adjacent to the O'Connell Center, will not be open.
